"Excellence in Education"

College Visitation Request

College visitations are limited to three (3) days. All students must have parental/guardian permission submitted (1) day prior to the trip for the absence to be excused. Also, trip verification is required from the college/university and must be given to the attendance secretary when reporting back to school.

Please complete the following information.

Student _____

Address _____

Date(s) of requested visit _____

College/University visiting _____

I certify the above information to be correct, understand and accept the procedures to be followed and request permission be granted to my daughter/son for the described visit.
